Take out Sheilas' Wheels  
home insurance and you  
won't be left out in the  
cold this winter!

## You've got your party frock sorted. Now's the time to organise your home insurance too...

Ladies, imagine coming home after a night out to discover your home is flooded, the boiler's packed up or you've left your only set of keys in the taxi.

### It could be a disaster. But not when you take out Sheilas' Wheels home insurance...

Make sure you add our **Home Emergency** option to your policy to ensure that all kinds of emergencies - from boiler breakdowns to problems with your plumbing would be dealt with!

You'd just need to call our helpline (put our number in your mobile) and we'd arrange for a reputable contractor to come to your house to carry out emergency repairs.

And that means you don't have the worry of ringing around for hours to get some bloke you don't even know to come to your house and charge you a whole heap of cash!

### Sheilas' Wheels, emergency home cover is just £53.99 per year...

That's a little over a pound a week! And not only does it cover the call-out charge of a qualified contractor and up to two hours labour costs, it also includes parts and materials up to a maximum of £500 (including VAT) per incident.

### With Sheilas' Wheels Home Emergency option you're covered for:

#### Plumbing and drainage

If your drains and plumbing system are blocked or broken and your home gets flooded - you're covered.

#### Main heating system

There's nothing worse than coming home to a freezing cold house. If your main heating system suddenly packs up we can help you sort it out. No worries.

#### Toilet unit

If there's damage to your toilet bowl or cistern or if your loo completely stops working, you can claim.  
(Wow, that was some party!)

#### Home security

You're covered if there's damage to your external doors or if they're not working properly and the security of your home is at risk.

#### Lost keys

It's Christmas party time again. You're covered for the loss of the only available set of keys to your home if you can't replace them or gain normal access.

Here are some of the other bonzer benefits that you'll enjoy  
as standard with Sheilas' Wheels!
